EDUCATION

B.Tech (Computer Science Engineering)　　　　　　　　　　　**May-2024**
Shri Guru Gobind Singhji Institute of Engineering and Technology, Nanded

HSC　　　　　　　　　　　**Feb-2020**
Shivaji Junior College Cidco, Nanded.

SSC　　　　　　　　　　　**March-2018**
Shivaji Vidhyalay Cidco, Nanded.

SKILLS

Languages	C, C++
Android Development	Java, Kotlin, XML
Tools	Git, Android Studio, VS Code
Soft Skills	Teamwork, Communication, Time Management

PROJECTS

TRELLO CLONE APPLICATION　Link

- Users have the ability to create boards, lists, and cards to manage their tasks and projects effectively.

- Implemented features such as drag-and-drop functionality, real-time updates, user authentication and collaboration features to enhance user productivity and teamwork.

- Tech Stack: Kotlin, XML, Firebase.

WOMENS SAFETY APPLICATION　Link

- The application utilizes a shaking gesture of the phone as a trigger for emergency situations. When a user shakes their phone, the app sends an SMS to a designated contact with the user's last known Location information.

- Tech Stack: Java, XML.

FRIENDLY CHAT APPLICATION　Link

- Utilized Kotlin and XML to create an intuitive user interface and implemented Firebase Authentication for secure user registration and login.

- Integrated Firebase Realtime Database for real-time messaging functionality and utilized Firebase Storage to enable seamless sharing of images within the chat interface.

- Tech Stack: Kotlin, XML, Firebase.

ACHIEVEMENTS AND CERTIFICATION

CODECHEF ⬈	2 star coder, Highest rating 1460, solved around 250+ Problems on Codechef.
HACKERANK ⬈	5 star in C++, 4 star in C, 3 star in Problem solving on HackerRank.
LEETCODE ⬈	Solved around 100+ problems based on Data Structures and Algorithms on Leetcode.
ANDROID DEV ⬈	Certified by Infosys	Springboard for Android app development with Kotlin.
DSA IN C++ ⬈	Certified by MySirG.com in course Data Structures and Algorithms in C++.
